Outreach to the Nimba Community

We provide the citizens of Nimba County access to educational resources and also enable them to achieve self-sufficiency and financial stability through our resource programs as follows:

Partnerships

Odesa and Vincent Turner (Founders/Executive Directors of TSMHC) were commissioned by Christian Stronghold Church located in Philadelphia, PA on May 7, 2023 to actively become a part of their global Missions initiative that extends through the year 2027.

We thank God for our partnership with the Christian Stronghold Church under the leadership of the Senior Pastor – Christopher A. Bell, Sr. and Assistant Pastor – Keith P. Bethel, the Missions Board and the entire congregation. We were blessed to be part of the IMPACT 2027 Missions Conference initiative – a long-term vision for continued Missions growth and influence in the world - held November 17-19, 2023 at Christian Stronghold Church.

Within the conference, we had the opportunity to sit down with church members who listened intently to the future needs of missionaries and gave us essential feedback that will help enable us going forward to reach and sustain our goals through 2027.

TMSMHC Giving Back Locally

During our startup campaign for donations, God touched the heart of “Kids To Kids” in Delaware County, PA to donate their unsold clothing, shoes, books, toys, bedding, and other items to our non-profit organization. With our overflow donations, we were blessed to give to local agencies in need such as AlphaCare Neighborhood Crusades, Battered Women’s Shelters, the Whosoever Gospel Mission, and the Liberian Orphan Project. Additionally, we share and encourage missions participation at local church gatherings, Perspectives Classes, and we collaborate with local agencies to spread God’s Word.

Prayer Requests

1. Please pray for the community in Nimba County to walk with God and not allow demonic spirits to hinder their walk, team unity, or individual and collective growth with God.
2. Pray for committed teachers who will teach new converts, expand our youth and children’s ministry, and that all teachers and facilitators will progressively continue learning toward future leadership opportunities.

God Our Provider

It is indeed God walking alongside us that has brought us thus far. We remember His Word: 1 Chronicles 4:9-10 – Lord, please help us depend on only you so you can enlarge our territory to enable us to be a blessing to others. Nehemiah 8:10 – The Joy of the Lord was and is our strength. Philippians 4:13 – God was the one that gave us the power, insight, and finances to complete the first stages of the TMSMHC complex.
